

June 2, 2010

Dear ASA Member:

The ASA-Midwest Council presents our 4th Annual BBQ networking event. The theme this year is *King of BBQ at Queeny Park*. This year's event is open to current members and non-members alike. A portion of any non-member participant's booth fees will be applied towards new membership if they join within 60 days.

The new location is approximately **5** times that of Creve Coeur Lake. Parking will not be a problem as there is a **huge** parking lot available. We will have a dunking booth (watch out Jim Freeman), cornhole tournaments, washers, and a DJ at the event.

The BBQ will be held on Wednesday, September 15, our regular monthly meeting day, at Queeny Park (must enter from Weidman Road) from 3:00 p.m. – 8:30 p.m. Reservations are due before July 23, 2010 so we can start promoting the event.

If you have a booth space, each participant is asked to cook BBQ of your choice or supply other food item and provide beer, (due to the fact ASA does not have a liquor license), and soda or water (CANS ONLY). You may not sell the drinks, but you can give them to attendees. Don't forget to bring plates, forks and napkins!!!! If you need rental items, a list of items available is on the registration form. The participant with the most votes will be crowned the **BBQ champ**!!!!

You may bring whatever materials or equipment you would like to **showcase** in your designated area. If you have heavy equipment, please let us know in advance.

There is no charge for guests attending the BBQ! This should boost attendance so invite your customers and employees to attend!!!! We will have attendance prizes, with an 8-hour motor coach as the grand prize (valued at \$1,000). This should be a great networking event as we plan to invite subcontractors, general contractors and others in the construction community. Spread the word!

We need your response ASAP so we can continue to plan this event and market it appropriately.

Sincerely,

Kevin Douglas
