ASA-Midwest Council Named Chapter of the Year

UNION, Mo. —In a September 21 ceremony held in conjunction with the ASA Champions Academy 2009 in Arlington, Va., the American Subcontractors Association recognized the ASA-Midwest Council as ASA Chapter of the Year 100+ Members. The award recognizes an ASA chapter with 100 or more members that works feverishly to improve the business climate for construction subcontractors and provide professional development and networking opportunities for its members.

2009-10 ASA National President Darlene Aitken East, Holes Incorporated, Houston, Texas, presented the award to the chapter's Immediate Past President, Michael Fogarty, Jr., Briner Electric, Maryland Heights, Mo.

ASA Task Force on Chapter Services Chairman Chip Rohrbach, F.A. Rohrbach Inc., Allentown, Pa., commended the chapter for providing its members with professional development and educational opportunities and the leadership for continuing to grow its membership in the current economic climate.

The Midwest Council has proudly been awarded Chapter of the Year five out of the last six years.

The American Subcontractors Association is a construction trade association of quality specialty contractors and suppliers serving the construction industry and the community. Our purpose is to improve the construction process through active participation in education, legislation and cooperation.
