ASA Midwest Council Hosts 8th Annual Meet the GCs Expo

ST. LOUIS, MO. — The American Subcontractors Association-Midwest Council hosted the 8th Annual Meet the GCs Expo on January 27, 2010 at the St. Charles Convention Center from 3:30 p.m. – 8:00 p.m.

The Expo is an event for subcontractors, vendors and supplies to meet general contractors. It is set up like a trade show where guests can mingle with general contractors they currently do business with or get reacquainted if they have worked together in the past. One of the prime benefits is the opportunity for ASA members and general contractors to meet each other and discuss the potential for business relationships. Networking with other subcontractors is also a strong purpose for attendance.

Twenty-eight general contractors participated with booths. Nearly 1,100 contractors, suppliers and vendors attended the event.

The event was an overwhelming success and the ASA Midwest Council will hold this event next year at the St. Charles Convention Center on January 26, 2011. For more information, please call the ASA Midwest Council office at (314) 214-1664.
